### **Product Description**

## **Husqvarna AUTOMOWER® 450X EPOS™ Robotic Mower**

Break free from boundary wires with Automower® 450X EPOS™! This residential, wire-free mowing solution, uses Husqvarna EPOS™ (Exact Positioning Operating System) to work within virtual boundaries. With total control from the Automower® Connect app, these mowers can tackle complex lawns, with custom stay-out zones, mowing schedules and cutting heights.
