Product Description

Husqvarna Automower® 550 EPOS Robotic Mower

Robotic mower designed for professional fleet use. Fully equipped model featuring Husqvarna EPOS guidance with transport paths, AppDrive and precise area management. With virtual boundaries you can define several work areas with different settings as well as set temporary stay-out zones. Handles all types of lawns, navigates narrow passages and manages slopes up to 45% (24°) - even in rainy conditions. EPOS reference station required.
