Product Description

Bad Boy 40 Series 4035 Compact Tractor CAB w/ Loader

The 4035 Series is available with or without a fully climate-controlled, all-weather cab. So bring on the rain, snow or blistering heat because nothing can stop you from working with an attitude. The 4035 Series is the largest tractor in the Bad Boy Tractor stable with 35hp. The eco-friendly "A" Series diesel engine sips fuel while providing maximum performance in speed, power and lifting up to 2,200 lbs. Say goodbye to pre-set engine throttle positions. The 4035 Series engine RPM automatically increases or decreases as you move the foot pedals. Hydro Max is quiet, smooth, easy and eco-smart.
