Product Description

Wilderness: Cozy Cabin Retreat

The Wilderness features a 6' porch with an arched beam and a 36" round top entry door with a keyed lock, making it perfect for a peaceful retreat.

Built with 50-year LP Smartside, 6" eave and gable overhangs, and stone wainscot, this cabin offers both durability and rustic style.

With customizable roof options and plenty of windows, it's ideal for any outdoor setting.

Note: The 6' Wilderness porch is included in the length of your building, interior space is 6' less than the normal building length.
