Product Description

Arctic Cat Prowler Limited 2027 Side-by-Side

A side-by-side built for all-day work or all-out excursions. The Prowler is the ultimate utility SxS with optimized suspension for a smooth ride and easy customization options to make it your own. The Prowler Limited combines a purpose-built chassis, a capable powertrain, and thoughtfully selected standard features to produce a well-rounded off-road machine. Arctic Cat's decades of powersports engineering are evident throughout the design, from the suspension geometry to the ergonomic cabin layout.

The Arctic Cat Prowler Limited is designed for riders who take their off-road experience seriously. As part of the Prowler Pro series, the Prowler Limited is engineered for utility and versatility, capable of handling everything from rugged trail work to recreational riding across diverse terrain types. Whether you are navigating tight forest trails, open desert terrain, or challenging rocky landscapes, the Prowler Limited is built to handle it with confidence.

The Prowler Limited suits a wide range of users, from recreational trail riders to property owners looking for a capable multi-purpose utility vehicle. Its combination of performance and utility makes it a natural fit for recreational rides, guided trail tours, light property work, and hunting trips. The Prowler Limited rewards riders who push it hard while remaining reliable and manageable for everyday tasks. It is backed by a 12 Months warranty.

Engine and Performance

The Prowler Limited is powered by a Liquid-Cooled 4-Stroke, 3 Cylinder engine, delivering the torque and horsepower necessary for aggressive off-road performance. Fuel delivery is handled via EFI (Electronic Fuel Injection), ensuring consistent power response across all throttle positions and altitudes. The drivetrain routes power through a CVT - CVTech Trailbloc, providing smooth and predictable power delivery for confident acceleration on climbs and across challenging obstacles.

- Engine displacement: 812cc
- Engine type: Liquid-Cooled 4-Stroke, 3 Cylinder
- Fuel system: EFI (Electronic Fuel Injection)
- Drivetrain: CVT - CVTech Trailbloc
- Fuel capacity: 9.3 gal (35.2 L)
- Starting system: Electric Start

Suspension and Chassis

The suspension system on the Arctic Cat Prowler Limited is engineered to absorb trail chatter and larger impacts while keeping the machine level and predictable. The front features Double A-Arm with 10-in. (25.4 cm) Travel and the rear runs Double A-Arm with 9.5-in. (24 cm) Travel, providing ample travel for technical terrain. The Four-Wheel Hydraulic Disc system delivers reliable, fade-resistant stopping power. The chassis is built to be rigid enough for aggressive driving while still maintaining the compliance riders need on long trail days.

- Front suspension: Double A-Arm with 10-in. (25.4 cm) Travel
- Rear suspension: Double A-Arm with 9.5-in. (24 cm) Travel
- Braking: Four-Wheel Hydraulic Disc
- Tires: 27 x 9-14 front / 27 x 11-14 rear
- Ground clearance: 12.5 in. (31.75 cm)

Dimensions and Cargo

The Arctic Cat Prowler Limited is sized for trail accessibility while providing the interior space that riders and passengers need for an extended day out. At 1,893 lbs. (858.7 kg), the machine is substantial without being unwieldy. The rear cargo area offers 1,000 lbs (453.6 kg) of carrying capacity, making the Prowler Limited a practical choice for riders who need to haul gear alongside passengers. Towing capacity is rated at 2,000 lbs (907.2 kg), extending the Prowler Limited's utility to towing trailers, equipment, and recreational attachments.

- Overall length: 126.25 in. (320.7 cm)
- Overall width: 63 in. (160 cm)
- Overall height: 78 in. (198 cm)
- Weight (dry): 1,893 lbs. (858.7 kg)
- Cargo bed capacity: 1,000 lbs (453.6 kg)
- Towing capacity: 2,000 lbs (907.2 kg)
- Hitch: Standard 2-in. Receiver

Cabin and Standard Features

The operator environment inside the Arctic Cat Prowler Limited has been designed with rider comfort and control in mind. Seating accommodates Bench Seat, 3-Passenger with Removable Passenger Seats, 3 Point Seat Belts passengers. Lighting is provided by dual high/low beam halogen headlights with led accents and led brake lights/tail lights, ensuring good forward visibility during low-light conditions. The Prowler Limited is available in Black Magic, Tungsten. Standard accessories include: 4,500-lb WARN Winch w/Synthetic Rope, Roof w/Liner, Overhead Console, Center Seat Console.

- Seating capacity: Bench Seat, 3-Passenger with Removable Passenger Seats, 3 Point Seat Belts passengers
- Lighting: Dual High/Low Beam Halogen Headlights with LED Accents and Dual LED Brake Lights/Tail Lights
- Available colors: Black Magic, Tungsten
- Starting method: Electric Start
