Product Description

WT-1610 FEATURES

- 24" Cutting swath
- Adjustable handlebar with two adjustments at the base
- The body of the trimmer can be pivoted 7.5° or 2" to the left or right at the nose, to reach further beyond the wheels
- Briggs and Stratton 675EXi Series 163 cc engine
- Enclosed 10-gauge steel housing keeps debris out
- Large 16" wheels with sealed ball bearings for easy maneuverability over rough terrain
