### Product Description

## Massey Ferguson® 5700 S Series Tractors

The MF 5700 S Series tractors offer excellent maneuverability and versatility for work in and around barns, in the field, or on the road. The impressive performance and efficient design of the Dyna-4 transmission provide unbeatable productivity, control, and convenience, with a completely clutchless shifting of 16 forward and 16 reverse speeds.

| MODEL     | MAX ENGINE HP | PTO HP | HYDRAULIC FLOW (GPM) | MAX GROSS WEIGHT (LB.) |
